Re: COVID 19 Statement

The SARA Board would like to express our very best wishes to our shooting family during this challenging time.

As the COVID-19 virus continues to pose a serious health threat, SARA will, and effective immediately, implement the following precautionary measures to help ensure the health, safety and well-being of our members.

All SARA Major Competitions scheduled to be held prior to 30<sup>th</sup>, September have been cancelled. This means the SARA Hunt and SARA Queens Series will not be contested for 2020. All Open Prize Meetings previously authorised are expected to be cancelled by the organising bodies and may be rescheduled for a later date.

The SARA Board has not taken these unprecedented steps lightly, nevertheless the age demographic of our membership dictates serious caution to reduce to impact of COVID-19 to our families and community.

We would strongly suggest, those members at risk refrain from social activities for the immediate future.

Kind Regards
